PROFESSIONAL SUMMARY

Final-year B.Tech Computer Science Engineering student (DBATU, 2026 batch, CGPA 8.34) with a strong foundation in SQL, MySQL, DBMS, and RDBMS concepts. Skilled in database design, data modeling, and writing SQL queries involving joins, subqueries, aggregate functions, views, and stored procedures. Built normalized relational schemas and generated analytical reports for business use cases. Seeking an entry-level SQL Developer / Database Developer role.

TECHNICAL SKILLS

Database: SQL, MySQL, DBMS, RDBMS, Database Design, Joins, Subqueries, Views, Stored Procedures, Normalization, Indexing, CRUD Operations

Programming: Java

Web Technologies: HTML, CSS, Bootstrap

Tools: MySQL Workbench, GitHub, VS Code, MS Excel

EDUCATION

B.Tech, Computer Science & Engineering

Fabtech Technical Campus, College of Engineering and Research, Sangola (DBATU) 2022 - 2026 | CGPA: 8.34

HSC, Shivratna Junior College, Gadegaon

2020 - 2022 | 78.50%

SSC, New English School, Gadegaon

2019 - 2020 | 88.60%

ACADEMIC PROJECTS

Car Rental Management Database System

Relational database for managing customers, orders, payments, employees, and services using SQL and MySQL.

- Designed a normalized schema across 6+ entities with primary/foreign key relationships.
- Wrote SQL queries using joins, group by, having, and aggregate functions for sales and order reports.
- Applied normalization (up to 3NF) and query optimization to improve performance.

LearnEd - Database Management System

Database architecture for an online learning platform with courses, quizzes, and performance analytics.

- Built relational tables for Users, Courses, Enrollments, and Quiz Results.
- Created Views and aggregate queries for student performance analysis and reporting.

INTERNSHIP EXPERIENCE

Web Development Intern, TechnoHacks EduTech

Jan 2024 - Feb 2024

- Built web application modules and worked with backend data sources and database-driven content.
- Performed data validation and functional testing to ensure data accuracy and reliability.

CERTIFICATIONS

- SQL and Relational Database Management System - Great Learning (Dec 2025)
- Software Testing Certification - Eduonix Learning Solutions

LEADERSHIP & ACTIVITIES

- Secretary, ACES - Organized the state-level technical event Technofab-2K25.
- President, Nature Club - Led environmental awareness initiatives, Jul 2024 - Jun 2025.
